

# Syracuse Road; Public Hearing Handout 1000 West to 2000 West

February 2006

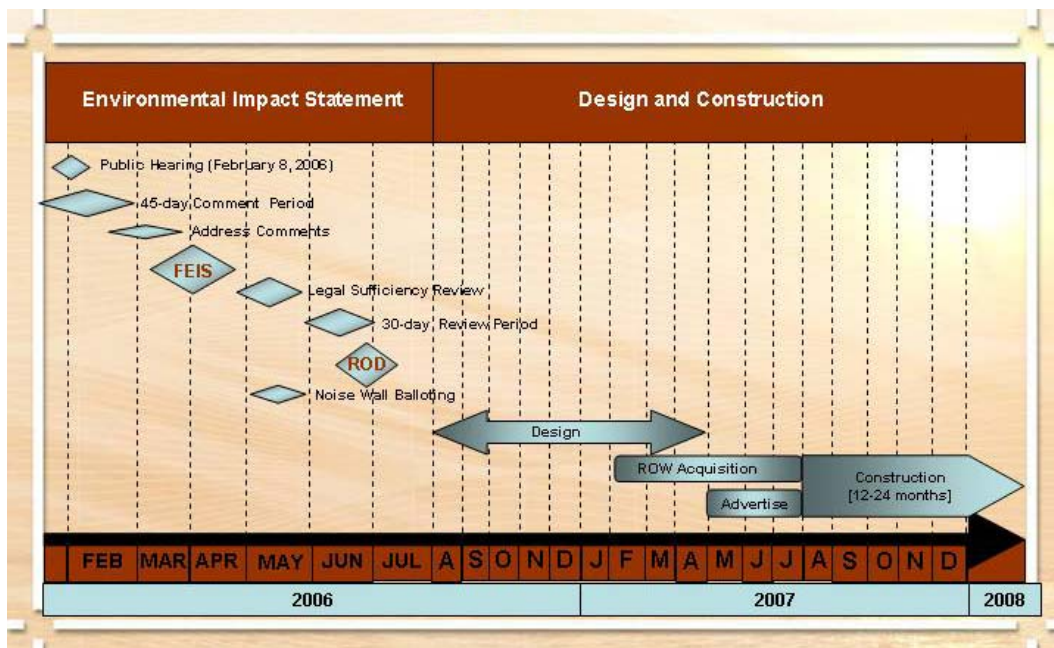

## *What Has Happened Since the Last Public Meeting?*

- Off-corridor alignments required further study and screening review as avoidance alternatives for Section 4(f) (historic) properties (Alternatives E and F)
- Pre-legal sufficiency review as required by NEPA regulations for EIS documents
- Preparation and distribution of Draft EIS
- Publication of Notice of Availability of the Draft EIS in the Federal Register

## *What can I do at the Public Hearing Tonight?*

- Talk to Project Representatives
- Review the Draft Environmental Impact Statement
- Review Alternatives and the Technically Preferred Alternative
- Submit **Written Comments** – Fill out Comment Form
- Submit **Verbal Comments** – See Court Recorder

## *What Happens Next?*
